ACCEPTING MYSELF

HOW TO HELP YOUNG PEOPLE FEEL WORTHWHILE NO MATTER WHAT

Accepting Myself eLearning program takes place in outer space, where students select one of two avatars to guide them through the universe. Throughout each of the three parts, students engage with interactive and fun activities that help to personalise and teach the ABCs of self-acceptance.

The online resource is a three-part, eLearning program that takes 30 to 60 minutes for students to complete and can be completed by students at home or in the classroom.

Schools, Mental Health Practitioners and Specialty Education Organisations interested in purchasing this program please call us on 1800 155 603 or email enquiries@youcandoiteducation.com.au for pricing specific to you.
